LA VERA DISTINZIONE PRENDE CORPO NELL'ESSENZIALITÀ

TRUE DISTINCTION TAKING SHAPE IN MINIMALISM
ЛАКОНИЧНОСТЬ КАК ОТРАЖЕНИЕ ИНДИВИДУАЛЬНОСТИ

Distinguersi significa non solo esternare ed esibire la propria specifica personalità o la propria concezione estetica, ma anche prendere coscienza del proprio modo di essere, in rapporto agli altri e a stessi. Non sono necessari grandi gesti e soluzioni eclatanti, soluzioni d'arredo stravaganti o forzatamente sensazionali.

L'essenzialità, a volte, è invece la scelta ideale: tinte e sfumature tono su tono, sottili motivi di decorazione, elementi stilistici di secondo piano ma decisivi nel contesto più generale.

Distinction is not only externalising and displaying one's own specific personality and aesthetic concepts, but also the awareness of one's *modus vivendi*, in terms of others and the self. No grandiose gestures or striking solutions are necessary, nor are extravagant or forcibly sensational solutions.

At times, minimalism is the ideal choice: hues and shades tone-on-tone, subtle décor motifs, stylistic elements in the background yet decisive overall.

Выделяться – значит не только проявлять и демонстрировать свою индивидуальность и эстетический вкус, но и осознавать взаимосвязь между образом жизни, окружающим людьми и личностью своего человека. Для того, чтобы выделиться, вам не нужны широкие жесты и впечатляющие решения, экстравагантная или нарочито шокирующая мебель.

Иногда именно лаконичность предлагает идеальный выход из положения благодаря использованию оттенков и расцветок тон в тон, изящных декоративных мотивов, второстепенных и вместе с тем решительных стилистических элементов, собранных и представленных в более масштабном контексте.
